US Soccer is moving forward with playing kids according to birth year. NHSL is as well. We will discuss, when and how we move forward as well, closer to April. We see conflicts at the U-13/U-14 groups. We will need to discuss plan for tryouts  
What will other towns do?

Need to discuss the reshuffling of multiple teams on the same group. EX- There are two U-10 teams as well as two U-11 teams but each in different divisions within the same group. Discussion of keep a and B team. If both teams are in the same division, no sense to split

- Equipment Coordinator- Keep Crown as a vendor. Possible search for another shirt company other than M&M.
- Field Coordinator- GMS, and sawmill clean and all set. J. Craig will finish Innes by the weekend
- Travel report- M. Boschi, we need to have at least 4 coaches meeting a year with travel coaches, let's get a wrap up meeting with them by xmas and set another date before the spring
- Rec Reports- Went well, all medals given out. 6v6 Tourney went well. 2 separate sets of parents had complaint about, a coach, Mike Ziffers, Re his style, and aggressive approach with the kids
- Halloween Jamboree- M. Boschi- big thank you to B. Jenn for all the hard work and all who helped with the event.. 40 teams, great weather, pretty smooth. Did not like the parking on Albuquerque. Need to look at the schedule closely next time, there was 1-1 ½ time period when the parking was difficult to direct. Need 4 each P-lot attendants at all time. Walkies worked out great! What do we do with funds?? Next time clean up start @ 2:30
