

LYSL Board Meeting Agenda

April 4, 2011, 7:30 p.m.

1. 2011 Spring Sophomore Project w/ Scott Taylor's U10 Team.

- a. Conor Douglas and Caitlin Heaton presented their proposal to perform their sophomore project this spring with Scott Taylor's U9 boys team.
- b. They need a minimum of 30hrs during the soccer season which will include one (1) practice a week and approximately eight (8) games during the regular season.
- c. Scott Taylor was assigned as the LYSL board sponsor for Conor and Caitlin
- d. Approval was put to vote and passed 7-0-0.

2. President's Report (J. Rossi)

- a. Current spring registration stands at (170 players) Spring 2010 was (182 players). Total from 2010 did not include Cougar Cubs.
- b. Current registration: Cubs (19) Instructional (57) 4v4 (34) 6v6 (49) Senior (11)
- c. Discussion about moving players up in recreation registration was opened. Moving players up (for example) from 4v4 to 6v6 has to be approved by both coordinators involved and has to be based on age and ability. This has to be confirmed by the coordinator not the parents. Age should be

taken into consideration. If players are on the young side of the age bracket it is strongly encouraged that the player stays in the age appropriate level. Level adjustments can be made mid season if there is a safety issue or players are truly playing well above (skill wise) their age bracket. Mike Boschi encouraged coordinators and coaches to suggest travel for these players next season rather than moving them up a rec level.

- d. NHSA held elections and Bob Wiley is now the new President of NHSA.
- e. Scholarships (2 x \$500) will be awarded again this year with the same criteria as in previous years. Campbell HS has been notified that we will be offering these scholarships again and the appropriate applications will be put in the guidance office.
 - i. Allen, Maggie, Zach, Jason K, and Shelley will be part of the scholarship committee. (Jason R will chair)
 - ii. Others are welcome to be on the scholarship committee. The meeting will be in May. Jason R will coordinate this meeting with everyone involved.
